DigitalWorkTools.com Formally Launches With Added Functionality

Seattle, Washington, February 27, 2005 – DigitalWorkTools.com, a recognized leader and provider of downloadable digital business and legal documents, announced today the formal launch of its website located at www.DigitalWorkTools.com after 10 months of operating “under the radar” in beta mode . During beta operations, feedback was gathered from customers and other users and several significant upgrades were made to the site including: document previews in pdf format, currency conversion, master document list, faster server delivery, echeck capabilities and much, much more.

DigitalWorkTools.com provides “template” documents, agreements, forms, and spreadsheets in the professional fields of Accounting, Administration, Board of Directors, Business Development, Customer Service, Engineering, Entrepreneurial, Finance, Human Resources, Information Technology, International, Legal, Marketing, Manufacturing, Operations, Real Estate, Sales, Technical Support, and Training.

DigitalWorkTools.com is a recognized leader and provider of digital business documents designed for instant delivery over the web. Our documents, spreadsheets, and agreements help business people in all types of organizations save time and money by using “templates” designed by business professionals in the ordinary course of their business. DigitalWorkTools.com offers completely reliable and secure internet transactions and prides itself on the privacy and security of all its products and customer information. Contact DigitalWorkTools.com at www.DigitalWorkTools.com or 206-725-1864.
