DigitalWorkTools.com and its affiliates attempt to be as accurate as possible. However, DigitalWorkTools.com does not warrant that product descriptions or other content of this site is accurate, complete, reliable, current, or error-free. If a product offered by

## **PRICING**

Except where noted otherwise, the List Price displayed for products on our website represents the full retail price listed on the product itself, suggested by the manufacturer or supplier, or estimated in accordance with standard industry practice. The List Price is a comparative price estimate and may or may not represent the prevailing price in every area on any particular day. For certain items that are offered as a set, the List Price may represent "open-stock" prices, which means the aggregate of the manufacturer's estimated or suggested retail price for each of the items included in the set. Where an item is offered for sale by one of our merchants, the List Price may be provided by the merchant.

With respect to items sold by DigitalWorkTools.com, we cannot confirm the price of an item until you order; however, we do NOT charge your credit card until after your order has entered the download or shipping process. Despite our best efforts, a small number of the items in our catalog may be mispriced. If we discover a mispricing, we will do one of the following:

- If an item's correct price is lower than our stated price, we will charge the lower amount and ship you the item.
- If an item's correct price is higher than our stated price, we will, at our discretion, either contact you for instructions before shipping or cancel your order and notify you of such cancellation.

Please note that this policy applies only to products sold and shipped by DigitalWorkTools.com. Your purchases from third-party sellers using DigitalWorkTools.com Payments are charged at the time you place your order, and third-party sellers may follow different policies in the event of a mispriced item.
